Subject OGC Response to OECA Comments on Draft UCR Memo  
and Revised Memo

Dear Deniz,

Thank you very much for the comments you provided some time ago (March 17, 2005) on the draft memorandum prepared by Joe Freedman, me, and Erik Swenson (b) (5), (b)(5)attorney work product

Set forth below is our response to your comments. They are indicated in blue font following the relevant part of your comments. (b) (6)

In addition, please find attached the revised version of the memorandum (still in draft). As you will see, the memorandum has also been updated to include references to some relevant case decisions that have come down since March. The latest revised draft is included as attachment.

Best Regards,
